

Staff involvement

Discuss the importance of staff involvement regarding **innovation** in business.

Assess which you believe to be the more powerful **motivation** for staff – rewards or punishment (ensure you justify your response).

Assess the way your school motivates students. Recommend ways it could be improved.

Outline how **mentoring** works and the benefits it has for business.

Explain why spending on **training** should be considered as an investment rather than merely a business expense.

Imagine you are the owner of a music store and you employ ten members of staff. Determine staff involvement techniques you would use with these employees.
